

LIONS

In 2004, the Sioux Falls Downtown Lions Club adopted SALSA as their Leo Club. SALSA is the largest Leo Club in the world, and has won seven Lion's International Leo of the Year awards.

The Lions LEO PROGRAM was designed to provide youth with an opportunity for personal development through service, which is the cornerstone of the program. In total, more than 144,000 young people in 139 countries are proud to call themselves LEOS. The LEO Motto is: "Leadership, Education and Opportunity".

-The Lions Club adds value to the SALSA program by:

- Sponsoring the Annual Recognition Luncheon which honors SALSA members for being exceptional youth volunteers
- Presenting 2 SALSA students with a \$500 scholarship during the Luncheon
- Assisting with special annual events like Make a Difference Day
- Each month the Lions invite two students to Downtown Lion's Club meetings to recognize student volunteer efforts.
