

YOUTH ACTION COUNCIL

SALSA is lead by a team of 20 high school students called Youth Action Council. Representatives from each school come together and make programmatic decisions for the group, ensuring that the projects are from the youth and for the youth!

The group meets once a month and decides:

- The guest speakers for the SALSA meetings
- The SALSA Wide Events
- The theme for the SALSA Leo Recognition Luncheon
- T-shirt designs
- And much more!

It is a great opportunity to work alongside other youth who want to make a difference, improve your self-confidence and public speaking skills, learn important leadership skills and practice being a good team member – working with others to help SALSA reach its goal of connecting more teens with service!

Applications for this group are available at SALSA meetings in March. If you are interested in applying, or for more information, contact the SALSA Coordinator at 605-274-1409 or salsa@helplinecenter.org.
